"The project consists of construction of boardwalks in Selawik to replace existing 30-year old facilities, as funding allows. Priority boardwalk construction is as follows: Selawik Street, Island Avenue and Channel Street and rehabilitation of the Barge Landing Access Road. The intention of this project is to complete boardwalk reconstruction on these routes that cannot otherwise be funded under the existing DOT & PF Selawik Boardwalk Project No. 62128 due to limited funding.
